Jamil Burger is a full-time voice actor, video editor, podcast host, and webtoon creator. Before acting was ever a choice Burger lived his life as a stand-up comedian hitting stages all over the world. Professionally trained in all aspects of voiceover, He can offer a range of services that can deliver exactly what his clients need for their projects. He has dabbled in commercial voice-over for radio, tv, and the internet, character animation, and video games just to name a few. Diligent and goal-oriented voice actors seeking to further their professional experience & skills.
